Unlock Global Growth: Join WUSATA's Free Export Readiness Training

Are you ready to take your agribusiness to the global market? WUSATA's **Export Readiness Training** is designed specifically for new-to-export companies looking to expand internationally with confidence. This interactive, three-part training will equip you with the essential tools to **build a successful export strategy**, navigate international trade complexities, and connect with foreign buyers - all at **no cost to you!**

Why Attend?
FREE professional export training - limited to **20 spots** (first come, first served!)
Assess Your Export Potential – Understand if your business is ready for international expansion.
Identify Profitable Markets – Learn how to find the best global opportunities for your products.
Gain Practical Export Skills – Get hands-on knowledge to streamline your export process.
Earn a WUSATA Export Readiness Certificate – Boost your credibility in international trade.

Three Live & Interactive Zoom Sessions (1:00 PM – 5:00 PM PT)

October 7: Session I – Building Your Export Foundation

- Understanding export readiness
- Classifying products & market research
- Creating an effective export plan

October 14: Session II – Mastering Export Tools & Strategies

- Leveraging free trade agreements
- Pricing strategies & finding global buyers
- Navigating export compliance & documentation

October 21: Session III – Logistics & Payment Solutions

- Managing international shipping & logistics
- Export financing & payment security
- Certifications & regulatory requirements

Hands-On Learning: Each session includes real-world case studies, industry expert insights, and a short action-oriented assignment, ensuring you walk away with a **ready-to-implement export strategy**.

Exclusive Benefit: Companies that complete all sessions will

receive a **WUSATA Export Readiness Certificate**, signaling their preparedness for international trade.

Only 20 Spots are Available! First Come, First Served!
